Pro Life Campaign Ireland

#plc2014

PLC Spokesperson Cora Sherlock

The pro-life movement has shown incredible resolve since the Government introduced abortion last year. The Pro Life Campaign has no intention of just going through the motions of opposing the new abortion law. Our steadfast aim is to repeal it. To deliver on this, however, we have to continue to grow the movement.

The PLC's National Conference on 11th October presents a wonderful opportunity for each of us to renew our commitment to the cause, listen to excellent speakers from Ireland and further afield and hear about lots of innovative plans for the future.

GUEST SPEAKERS INCLUDE

Julia Holcomb

Julia Holcomb former girlfriend of Aerosmith lead singer, Steve Tyler. Julia will share the story of her late-term abortion and how she and Steve came to regret it.

Dr. Kevin Fitzpatrick OBE

Dr Kevin Fitzpatrick OBE is a Director of the Euthanasia Prevention Coalition International and a spokesperson for NDY UK. He is a leading campaigner against the legalisation of assisted suicide and euthanasia in Britain. He will give an update on the push for euthanasia worldwide and what we can do to oppose it.

Jennifer O'Farrell

Jennifer O'Farrell works in Human Resources and is a mother of a young son. She will share her personal experience of an unplanned pregnancy.

Roger Kiska

Roger Kiska is a lawyer with Alliance Defending Freedom based in Vienna. He has been involved in more than thirty cases at the European Court of Human Rights and has vast experience of working on pro-life and human dignity issues at a transnational level.

Pro Life Campaign spokespeople Caroline Simons and Cora Sherlock will also address the conference. Some members of the Oireachtas will be in attendance.
