

Pro Life Campaign National Conference 2022

First in-person conference since 2019

Saving lives and facing the future with hope

This year's conference will focus on a number of areas, nationally and internationally, where positive initiatives are happening, that over time will turn the tide in a pro-life direction.

Join us at the
RDS Dublin 4
Saturday, 12th November 2022
12 - 3.30pm

Workshops from 11am

Register at:
www.prolifecampaign.ie/plc2022

Workshops, information stands
and much more. See you there.

Guest speakers at the Conference include:

Keynote speaker

Dr. Dermot Kearney

Dr. Dermot Kearney is an Irish-born cardiologist working in England. He has assisted many mothers in reversing the effects of the first abortion pill and saving their babies' lives.

Lois McLatchie

Lois McLatchie is Communications officer for Alliance Defending Freedom international. She works to deliver fair representation in the media for pro-life issues.

Peadar Tóibín TD

Peadar Tóibín is a TD for Meath West and leader of political party Aontú. He is a strong advocate for the pro-life issue in the Dáil.

Elaine Noonan

Elaine Noonan is Programme Manager of Community Connect Ireland, an initiative that offers practical support to pregnant women and new mothers and families in need.

Themed workshops on the following areas will take place from 11am

Students For Life -
Young people in politics

PLC Network -
Grassroots activism

Community Connect -
Assisting mothers in need

Medical -
Protecting Freedom of Conscience

The event will include a lunch break with an opportunity to interact with pro-life advocates and visit information stands.
